The KWHS Global Young Leaders Academy is a short-term, non-credit program, so international students can come on a [B-2](#) Business Visitor visa for educational travel (a student visa is not required as B-2 permits enrollment in a short recreational course of study, not for credit toward a degree), which will allow them to participate in the KWHS Global Young Leaders Academy as well as tourist-related activities that are a part of the program. It is each student's responsibility to obtain the necessary visas and meet the requirements.

### **When will my visa letter be issued?**

If required, we will provide each selected candidate with a visa sponsorship letter, which can be used to apply for the B-2 visa. The visa letter will be issued starting April 2017 after receiving your payment and signed forms.

Students have to plan their own travel. Students can either travel to the U.S. on their own or choose to travel with our GYLA group. If traveling on their own, they can meet us at the arrival airport or campus. We will provide shuttle service from Philadelphia airport to the campus. The return will be from New York. You can either depart from the group at the hotel in New York City or we will provide a drop-off to the New York airport at a scheduled time. Detailed information will be provided post selection.

A copy of the necessary form will be shared post selection.

### **Do students have a curfew? What are other significant rules? Are students always supervised by adults?**

The program takes student safety and security very seriously. We provide 24/7 adult supervision. The boundary allows students access to most parts of the central Penn campus, as well as a number of shops and restaurants, including the Penn bookstore.
